About the Place

Minimal techno is a minimalist subgenre of techno music. It is characterized by a stripped-down aesthetic that exploits the use of repetition and understated development. Minimal techno is thought to have been originally developed in the early 1990s by Detroit-based producers Robert Hood and Daniel Bell.

PORTOFOLIO

MELINJO.NET

Melinjo.Net is a useful e-commerce application for buying and selling fruits and vegetables online, main features, directly connected with sellers, price filters, search, star rating, and wishlist, This web app is built with MERN (MongoDb, Expressjs, Reactjs, Nodejs)

The screenshot shows the homepage of the Melinjo.NET e-commerce platform. At the top, there's a navigation bar with 'Home', the 'MELINJO.NET' logo, and a 'LOGIN' button. Below the header is a large, vibrant image of a fruit and vegetable market stall, featuring apples, oranges, and various tropical fruits. Underneath this image are two product cards: one for 'Bayam' (lettuce) priced at Rp20.000 and another for 'Apel' (apple) priced at Rp10.000. A search bar labeled 'Filter ⚙ / Search ⌂' is located at the top right. The footer contains the copyright notice 'Mlinjo.net © Copyright 2021'.

This screenshot shows a detailed product page for 'Apel' (apple) on the Melinjo.NET platform. The top part displays a large image of several ripe red apples. To the left is a sidebar with a thumbnail image of apples and the category 'Buah-Buahan / Apel'. On the right, the product details are shown: 'Apel' at 'Rp 10.000', 'Apel Segar', and a 'BELI SEKARANG' button. Below the product image, there are two reviews: one from 'Tesi' dated Mar 9, 2021, at 6:13 AM, stating 'Apelnya enak Sekali', and another from 'Arif' dated Mar 13, 2021, at 6:44 PM, stating 'mantab apelnya bukan kaleng2'. The footer indicates the category 'Kategori : Buah-Buahan'.
